## RATHOLE DRILLING

### *Express' current rathole drilling offerings include:*

- ▶ Rathole drilling provides an economical method to prepare the drill site for the move-in of a drilling rig
- ▶ Rathole rigs quickly and easily drill a depth of 40' to 120' conductor, rathole or mouse hole for the drilling rigs to align over
- ▶ The drilling of the rathole does not require a large drilling rig, Express' equipment is fully self-supported. Our construction services include drilling the hole, running casing, and cementing it in place.
- ▶ Our fleet features both track and wheeled units to accommodate all types of rough terrain and road conditions
- ▶ Capable of drilling a cellar hole up to an 8' diameter
- ▶ Both air and hydraulic powered systems to accommodate your drilling needs
