

Your Sense of **WELL-Being.**

Headquartered in Houston, Texas, Express Energy Services Operating, L.P. began operations in October of 2000. Over the last decade, Express has grown into a diversified service company with 14 service lines in over 30 service locations across the U.S. Express' philosophy of treating our people as our most valuable asset, operating with the best equipment in the industry and implementing a robust HS&E Management System has allowed us to provide our client base with outstanding and diversified services.
